## Christmas

### 20% OFF CYCLING UK GIFT MEMBERSHIP

**W**ith Christmas season well underway, why not consider giving a gift membership to Cycling UK? It's the ideal way to spread the love of cycling. Like you, new members can save money, access information and inspiration to make the most of their riding, and benefit from insurance and other 'peace of mind' offers. And, of course, every additional membership helps our work to improve cycling for everyone. At the reduced price of £40, gift membership is better value than ever.

Perhaps you have a friend or family member who has taken up cycling recently to beat the cost-of-living crisis? Or you know someone who loves mountain biking but wants to try some longer adventure rides? Whatever the type of cycling – errands around town, visiting friends, commuting to work, off-road adventures or touring rides – Cycling UK has something to offer.

Have you checked the latest member benefits? Members can save on bikes and servicing at Halfords, get kitted out with cycle clothing for less at Stolen Goat and VeloVixen, and save on outdoors kit at Snow+Rock and Cotswold Outdoor.

Members can also save on YHA membership and on glamping trips through Experience Freedom (part of the Caravan and Motorhome Club). For anyone wanting to try something new without committing, there are discounts on e-bike hire with Hurrecane and on cycle trailer hire with Bike Trailer Hire.

New members will also receive Cycle magazine every two months. As you know, it's full of quality content to inform, entertain and inspire, including reviews of cycling kit, ideas for routes and holidays and cycling tales from other members. To provide peace of mind when out riding, members receive free legal cover and third-party insurance, and get a £50 discount on cycle insurance taken out with Yellow Jersey.

So this year, forget socks and bubble bath: give Cycling UK gift membership. It's the gift that keeps on giving! You can order gift membership as late as Christmas Eve – your lucky recipient will receive a welcome email with discount codes to snap up bargains in the Boxing Day sales. The full membership pack will be posted soon afterwards. [cyclinguk.org/christmasgiftmembership](https://cyclinguk.org/christmasgiftmembership)
